Important Safety Notice for MRI Patients

Certain factors may prevent you from having an MRI exam. When scheduling your appointment please let us know if you have had brain, ear, eye or other surgeries or any of the following: Pacemaker, neuro-stimulators (TENS unit), metal implants, aneurysm clips, surgical staples, shrapnel, implanted drug infusion devices (insulin pump), exposure of metal fragments to your eye, permanent eyelineer, or heart valves. Please check with your doctor if you are unsure of having any of the above procedures.

What to bring to your appointments.

Prescription or Script for Your MRI Exam

Photo I.D.

Insurance Information/Card
Payment - Cash, Credit/Debit Cards
and personal checks accepted.

If you have diagnostic images (pictures) of the same body region we will be scanning, please bring a copy of the report(s) and if requested by our radiologist, a copy of the images (pictures) as well, either on film or on a CD.

How to Prepare for your MRI

Do not wear metal objects of any kind. There are no food or drink restrictions. Take your regular medications(s), if any, as usual.

WARNING: DO NOT BRING any of the following into the MRI Exam Room:

| | |
|-----------------|------------------|
| Hearing Aids | Credit/Debit |
| Watches | Cards |
| Cell Phones | Wallets |
| PDA's | Metal Objects |
| Storage Media | Hair Clips/Bobby |
| Insulin Pumps | Pins |
| Keys | Coins/Loose |
| Tablets/Laptops | Change |

Warning

The MRI scanner's magnetic field can damage or destroy hearing aids, watches, cell phones, PDA's, storage media, insulin pumps, electronic keys, etc. It can also erase credit/debit cards and launch metallic objects of all sizes, creating a serious hazard to the patient and everyone else inside the exam room.

Springs Crossing Imaging is not responsible for damages or losses resulting from a patient's failure to comply with instructions.
